recall there were a few indigenous youth workers who started sometime after me. These were Carmel Belford – youth worker, Margaret Huer – youth worker and Paul Paulson – youth worker . I had no involvement in the Heiner Inquiry. I have not provided a written submission or statement to any person or Inquiry about my employment at JOYC.

6. Peter Coyne was the manager of JOYC before I started work at JOYC. I knew he was the manager because other staff had told me.
7. I don't think I was a member of a union when I was working at JOYC. I recall there was some tension by staff working at JOYC. This tension mainly related to the fact that management were not listening to staff concerns.
8. I was made aware by other staff and some of the residents about an Inquiry that was conducted at JOYC. I had no involvement in this Inquiry as it occurred before I started working at JOYC. I remember being told by some staff that this Inquiry was about the children being handcuffed outside. I can't remember who told me this.
9. I did not witness any incidents of sexual abuse at JOYC. As such I did not report any incidents of sexual abuse and nor have I submitted anything in writing to management or anyone else about any concerns of sexual abuse at JOYC.
