MEMORANDUM
TO THE
CHIEF
OFFICER

In September and October of 1989, a number of staff at John Oxley Youth Centre apparently wrote positive letters to senior members of staff relating to my style of management and my performance as Manager at John Oxley Youth Centre.

I spoke with Barbara Flynn, Manager, Court Services, on 15 December 1989. She indicated to me that these letters of support had not been tabled at the inquiry and that there was no intention to call any senior members of staff who had received those letters.

I request that consideration be given to tabling those supportive letters at the earliest possible time. I also ~~express regret that~~ those supportive letters were not tabled with the ~~inquiry at the same~~ time the letters of complaint were tabled with the inquiry.
