Dear Ms. Matchett,

I refer to previous correspondence with you concerning Mr. Heiner's Inquiry in respect of the John Oxley Youth Centre and now enclose a copy of a letter addressed by me today to Mr. Stewart Tait, Acting Secretary to Cabinet.

You will note that the advice differs from that previously given insofar as ownership of the material and the applicability of the Libraries and Archives Act 1988 are concerned. However, having considered the matter in greater depth, I am satisfied that the conclusions which I have now reached are correct.

Yours faithfully,

(K. M. O'Shea)
Crown Solicitor.
